REV SECT 5354

Letter No.M.3024-330 dated 23rd May 1939, from the Deputy Commissioner, Tuticorin District, to the General Secretary to the Government of Madras.

L. R. G. BRANCH

I have the honour to state that the President, Tiruchendur Municipality reports in his No.M1.30/CS-39 dated 14-3-1939, that the Municipal Council intending to pass the accompanying fourteen bye-laws published the drafts thereof under Section 42 (2) of the Municipal Regulation for the information of the local public on 3-8-1938 and invited objections thereon within one month from that date, that there having been no objections from the local men, a sub-committee was formed to suggest changes if any on the proposed bye-laws that the convener of the Sub-Committee reported the view of the committee on 17-8-1938 and that the drafts were discussed in the Council on the same date and changes made in them. He requests that sanction of Government may be obtained thereto.

2. I request that the above proposal of the Municipal Council may kindly be sanctioned.

3. The report of the President and its enclosures are forwarded in original for kind reference.

Submitted Bye laws re aerated waters with Deputy Marshal.

"Copy"

A new bye law has to be added after (7)

Sec. 45 (1) (b)(iv)

MANUFACTURE OF AERATED WATERS.

-10-

1. The place to be used for the manufacture of aerated waters shall be approved by the Municipal authorities.

2. Water used for the manufacture of aerated waters shall be pure and brought from a drinking well in clean vessels approved by the Municipal authorities.

* * * *

3. All water used for washing or cleaning bottles, etc., shall be pure and stored in cleaned vessels and be treated before use with permanganate of Potassium. in such manner as the Council or Sanitary Inspector may direct

4. The room in which aerated waters are manufactured shall be kept clean and in good repair. Its walls shall be well plastered with mortar and shall be lime-washed at least once in three months. The floor shall be rendered impervious to water by either being paved with Cuddapah slabs, flooring tiles, or by cement-plastering or other means and shall be properly drained.

5. No aerated waters of any kind shall be issued for sale without proper label on each bottle, giving full name and address of the Manufacturer.

6. The premises and all appliances used in the manufacture shall be kept clean and open to inspection of the President, or Chief Officer, or any other Officer authorised by the Municipal Council.

7. It shall be lawful to the President or Chief Officer, or any other Officer authorised by the Municipal Council on their behalf to enter any place used for manufacture of such of aerated waters at any reasonable time when it is open and to take a sample of any kind of aerated waters manufactured or kept for sale, for being sent forthwith to the Government Chemical Examiner, or Bacteriologist for examination, and if he certifies that such sample is unfit for human consumption, it shall be evidence that it is so unfit until the contrary is proved.

8. Any person who wants to run an aerated factory shall obtain a license for the same after giving particulars re: door number and street.

9. A breach of any of these bye-laws shall render the proprietor, or the person in charge of the place liable on conviction before a Magistrate, to a fine not exceeding Rs.20/-, and to a further fine which may extend to Rs.5/-, for every day after such conviction during which the infringement continues, provided that the total amount of fine shall not exceed Rs.100/-.

Chief Officer.
